Growth Management Plan (GMP) - 2012 Comprehensive Plan Update. Growth Management Plan (GMP) - Comprehensive Plan Work Plan.

Tyler Sinclair made introductory remarks and staff comment on proposed updates to the Comprehensive Plan. The requested action for this meeting is to set dates for the public comment period, the joint Planning Commission public hearing, and the joint Council and Board public hearing to consider adoption of the amendments to the 2012 Jackson/Teton County Comprehensive Plan, as presented by Staff with the edits made by Council and Board at today's meeting.

At the May 4, 2020 JIM, Staff presented an overview of the update process to date for the 2012 Jackson/Teton County Comprehensive Plan, including:

- The Plan's Vision, three Common Values, and foundational growth management concepts of limited **amount**, directed **location**, and incentivized **type** of growth remain unchanged in the draft Comp Plan Update
- How growth in the community over the past seven years and review of our Growth Management Program prompted us to update the 2012 Comprehensive Plan with a focus on corrective actions and enhancements that better align the Plan's Principles, Policies, and Strategies with the community's Vision and Common Values.
- The Growth Management Program Review and Comp Plan Update process that has taken place over the last year to inform the draft Comp Plan Update
- Review by chapter of primary Plan enhancements and corrective actions that are proposed in the draft Comp Plan Update

At the May 4, 2020 JIM, the Board and Council also engaged in joint discussion on potential edits necessary to the draft before beginning the public comment period and before consideration of adoption. As a result of this discussion, Board and Council directed Staff to prepare and present additional information on the following components of the draft Comp Plan Update:

1. Subarea 5.6 Northern South Park Revised Enhancements for Consideration
2. Cap on Maximum Commercial Floor Area
3. Workforce Housing Tools in the County
4. Water Quality Enhancements
5. Subarea 7.2 Hog Island Home Business Proposed Enhancements

Bruce Meighen, Logan Simpson, addressed the Board and Council to identify necessary edits to the draft before public release.

1. Subarea 5.6 Northern South Park Revised Enhancements for Consideration

Discussion started by looking at the updated language focused on that area. A straw poll was taken and showed the majority in favor on the removal of "An exception to this the neighborhood plan requirement would be the allowance for development when associated with an opportunity to provide provision of meaningful permanent open space by clustering development into the subarea from a Conservation or Preservation Subarea." There were no other changes to the language in this section.

2. Cap on Maximum Commercial Floor Area

There was brief summary on this item given by Tyler Sinclair.

3. Workforce Housing Tools in the County

Discussion on three options:

- a. Stay the Course: Existing Plan directs workforce and affordable housing into Town while County focus is permanent open space.
- b. Directed Change: Identify specific Subareas of the County where higher density housing may be appropriate if permanently deed restricted for workforce or affordable housing.
- c. Broad Change: Create a floating workforce housing incentive tool for use in the County.

Next Steps

Balancing continued momentum of the process conducted so far and the unforeseen limitations imposed by the COVID-19 pandemic, Board and Council should consider and set a revised review schedule for completion of this project. Staff proposes the following dates for consideration:

- June 3, 2020: Public comment period begins; legal notice placed in the Jackson Hole News & Guide weekly newspaper
- July 13, 2020: Joint Planning Commission meeting to make recommendation on adoption of proposed updates to the 2012 Comprehensive Plan
- August 3, 2020: Board of County Commissioners and Town Council Joint Information Meeting to consider adoption of proposed updates to the 2012 Comprehensive Plan

Staff notes that when considering the schedule, the Boards may want to consider what meeting formats and public gathering allowances should be in place during the review period. For example, should the Planning Commissions and Elected Officials have returned to in-person meetings? Should recommendations/restrictions limiting gatherings of more than 10 people be lifted to allow for in person public comment? Etc.

Public comment was given by Abigail Karin.

A motion on behalf of the Town was made by Councilwoman Morton Levinson and seconded by Councilman Jorgensen to begin the public comment period of the Proposed Amendments to the 2012 Jackson/Teton County Comprehensive Plan on June 3, 2020, to direct staff to advertise in the official newspaper of the town our intent to adopt amendments to the 2012 Jackson/Teton County Comprehensive Plan, to set a July 13, 2020 hearing date before the Jackson Planning Commission and an August 3, 2020 hearing date before the Town Council with the following changes to the proposed amendments to the 2012 Jackson/Teton County Comprehensive Plan directed at this meeting:
