WORKING TOGETHER AS A COMMUNITY
TOWARD A ZERO WASTE FUTURE

TETON COUNTY IS ON THE ROAD TO ZERO WASTE.

60% waste diversion from landfill by 2030 can be achieved with our community's help. Following the sorting policy stated, and recycling and composting as much as possible is significantly impactful. Thank you for your efforts with assisting Teton County on the Road to Zero Waste!

GENERAL POLICIES

- All loads must be sorted in compliance with the sorting policy manual.
- All loads entering the Trash Transfer Station are subject to inspection, sort fees, or rejection by Teton County personnel and contractors, Yellow Iron and Terra Firma Organics.
- Concrete cannot be unloaded into the Trash Building.
- All loads must be tarped. Un-tarped loads are subject to a fee.
- For all Demolition Loads, contractor must provide Asbestos testing and provide 48 hours' notice prior to disposal.
