DRAFT 2019-2020 LDR CLEANUP RELEASED FOR PUBLIC REVIEW

May 6, 2020, Jackson, Wyo. – Teton County planning staff undertakes an initiative biennially to clean up the Teton County Land Development Regulations (LDRs) with an LDR text amendment. The project number associated with this LDR Cleanup amendment is AMD2019-0006. The LDR Cleanup process does not propose significant changes to policy and primarily addresses minor typos and corrections, clarifications, compliance with other law and regulations, codification of existing practice for transparency and clarity, and minor policy tweaks.

A redlined draft of all the proposed changes in the 2019-2020 LDR Cleanup is available now for public review and comment at <http://jacksontetonplan.com/>. Included with the Draft is a guide to the cleanup that lists items by category, describes the change, and references the section in the text where the proposed change is occurring.

The public hearing scheduled for the 2019-2020 LDR Cleanup is June 8th, 2020 at 6:00 p.m. during the County Planning Commission meeting followed by the Board of County Commissioners meeting on July 7th, 2020 at 9 a.m. to consider adoption. All written public comment on the proposed amendments can be sent to Teton County planning staff at rooney@tetoncountywy.gov or PO Box 1727 Jackson, WY 83001. The preferred time to receive public comment is by June 7th, 2020 for consideration at the June 8th, 2020 Planning Commission meeting.
