

# Mobilizing Jackson

June 24th, 2014

4pm-7pm

The Center for the Arts

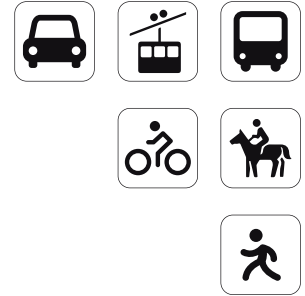

## Photo Voice Project

Help us learn about transportation issues in the community by taking photos before the workshop!

## Jackson/Teton Integrated Transportation Plan

# Workshop

Come by any time and join in the festivities including an exhibitor space and two floors of activities. Learn more about how the Plan can help meet our transportation goals, existing and future transportation opportunities and how we should measure success. Also view multi-media presentations from our community about how transportation affects our daily lives.

Food and drinks will be provided in the lower lobby.

For more information, contact Tyler Sinclair, Planning Director at  
Website: <http://www.tetonwyo.org/compp/topics/integrated-transportation-plan/252130/>

1. Take 6 photos highlighting transportation issues and opportunities and provide a sentence for each in your own words.
2. Be safe and remember there are no bad photos!  
Think about walking, biking, driving, and taking public transit.  
What works and doesn't work in the community?  
Why is this place or idea important to you?  
Does this picture represent an image of your ideal future?
3. Access the link (below) from a computer or use your smartphone to share your photos and thoughts with the community by June 20th.
