For Immediate Release – Public Service Announcement

Pathway Closure: Emily's Pond Pathway North of Pathway Bridge

Monday, October 8, 2018, Jackson, WY – The US Army Corps of Engineers will be accessing the Walton Quarry beginning tomorrow, resulting in the closure of the dike pathway along the east side of the Snake River north of the pathway bridge.

The closure will extend through the week, but park and pathway users will still be able to park at Emily's Pond and access the pathway bridge to the west side of the river.

Please direct questions to Teton County Road & Levee (307)-733-7190.
