

Board of County Commissioners - Staff Report

Meeting Date: March 5, 2019

Presenter: Matt Carr

Submitting Dept: Teton County Sheriff's Office

Subject: Jail Appliances

Statement / Purpose:

To replace Refrigerator and Freezer for the inmates food. They are approximately 16 years old at the end of serviceable life.

Background / Description (Pros & Cons):

Stakeholder Analysis & Involvement:

We worked with county facilities to insure the products purchased would be able to be serviced locally.

Fiscal Impact:

We utilized the bid process to insure we would get the best price for appliances.

Staff Impact:

We went to four single units (2 freezers and 2 refrigerators) instead of 2 double units. This allows us to maintain one unit while another may be serviced.

Legal Review:

Reviewed by Teton County Attorney's Office

Invoice attached.

Suggested Motion:

I move to approve the purchase of the refrigerator and freezer for the jail.
