Presenter: Ryan Hostetter

Request: Pursuant to Wyoming Statute §16-3-103 and §18-5-202(b) and (c) that Teton County is considering adoption of amendments to the Teton County Land Development Regulations (LDRs) to update the wildlife friendly fencing requirements. This amendment proposal is made by the Teton County Planning Division at the direction of the Teton County Board of County Commissioners to update the Natural Resource Land Development Regulations in phases beginning with the wildlife friendly fencing section. The proposed amendments would update and clarify certain standards outlined for when wildlife friendly fencing is required, how it shall be constructed, and certain exemptions from the standards for specific uses.

Location: Countywide
