APPLICABILITY This application should be used when applying for review of an Environmental Analysis. The purpose of the environmental analysis is to coordinate the application of all-natural resource protection standards through identification of the natural resources on a site.

When is an Environmental Analysis required?

An environmental analysis is required for all physical development, use, development option, or subdivision proposals that are subject to Division 5.1: General Environmental Standards, Division 5.2: Environmental Standards Applicable in Specific Areas, or Section 7.1.2, Planned Residential Development, unless the project qualifies for one of the exemptions listed in Subsection 8.2.2.B of the LDRs. If required, an environmental analysis application must be deemed sufficient prior to submittal of an application for the physical development, use, development option or subdivision proposed.

Do I need a Pre-Application Conference?

Yes, a Pre-Application Conference is required, except for updates of previously approved EAs.
