

WHY RECYCLE CORRUGATED CARDBOARD?

- Cardboard is the single largest component of municipal solid waste (household and commercial trash) in the world.
- Last year, Teton County recycled **4.5 million pounds** of corrugated cardboard saving **2,470 barrels** of oil, over **870 thousand kilowatt hours** of energy and **20,225 cubic yards** of landfill space.
- Teton County Integrated Solid Waste and Recycling sends the cardboard we collect to a mill where it is turned directly back into cardboard boxes.
- Corrugated cardboard fibers can be recycled an average of seven times before they become too short/weak and are filtered out as sludge during the pulping process.
- The average business in Teton County Generates 11,400 pounds of corrugated cardboard a year! Currently there are over 250 businesses and homeowner's associations utilizing the cardboard pick-up service.
- Keep in mind that since recycling cardboard reduces the volume of material you throw away, recycling cardboard may save you money on trash services.

WHAT IS CORRUGATED CARDBOARD?

Corrugated cardboard can be identified by its multi-layer construction. The **wavy "corrugated" middle layer** is what gives the cardboard its strength.

Not all cardboard containers are recyclable.

Waxed cardboard is NOT RECYCLABLE and should be discarded into the trash.

Paper board (the material used in cereal boxes) is NOT RECYCLABLE. Besides not having the wavy "corrugated" middle layer, paper board is usually grayish in color when you tear it and look at the inner layer. Paper board is considered a lesser quality paper, as it is typically a by product of already recycled corrugated cardboard.

Separate packing contents, such as bubble wrap, packing pillows and Styrofoam.

Tape, labels, and staples are okay.

No Garbage. Please do not dispose of food waste or garbage in dumpsters labeled "Cardboard Only."

COMMERCIAL CARDBOARD SERVICE

Teton County Solid Waste and Recycling
3270 S. Adams Canyon Road
tetoncountywy.gov/recycle
(307) 733-7678

WORKING TOGETHER AS A COMMUNITY
TOWARD A ZERO WASTE FUTURE

WHAT WE ACCEPT

Corrugated cardboard and brown paper only.

PLEASE DO NOT INCLUDE

- **Garbage**
- **Packing Materials**
(Peanuts, Bubble Wrap, Freezer Wrap, Styrofoam, etc.)
- **Paper Board**
(Cereal Boxes, Shoe Boxes, FedEx Envelopes, Six-Pack holders, Egg Cartons, etc.)
- **Corrugated Wax Boxes**
(Commercial Frozen Food Containers, Tomato/Lettuce Boxes)

NO FOOD WASTE OR GARBAGE

Contamination of cardboard bins limits our ability to recover valuable material for recycling and places an unnecessary burden on our staff. We appreciate your efforts to educate yourself and all your staff about proper corrugated cardboard recycling. Thank You!

Food Waste Hauling Services are available separately.

HOW DO I RECYCLE CORRUGATED CARDBOARD?

Please flatten all boxes. This saves valuable space in collection bins

Select one of the following options:

Sign Up for On-site Commercial Cardboard Recycling

Pickup is on

Monday/Wednesday/Thursday/Friday
One-time \$60 delivery fee

- You are welcome to share your corrugated cardboard dumpster with businesses around you and split the cost as you see fit. However, Teton County ISWR will only bill one person or business using the dumpster.
- This is a service provided by Teton County ISWR. We subcontract Westbank Sanitation to do the actual pick-up, so don't be alarmed when you see a garbage truck picking up the cardboard.
